gaylene.anderson@boehringer-ingelheim.com

Date: March - May 2025

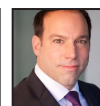

Time: Thursdays, 2- 4 PM EST (virtual)

Friday, May 2nd , 2 - 4 PM EST (in-person)

Location: Seminar is held virtually and in person May 2nd

Drug Discovery Course Modules

Mar 20

**Module 1: Patient
Centricity & Drug
Discovery Overview**

Dr. John Broadwater/ Dr. Steven Brunette

Mar 27

**Module 2:
New Therapeutic Concept**

Dr. Elliott Klein

Apr 3

**Module 3:
Novel Chemical Entities**

Dr. Marc Grundl

Apr 10

**Module 4:
Novel Biological Entities**

Dr. Rachel Kroe-Barrett

Apr 17

**Part 1 Module 5:
Translational Pharmacology**

Dr. Reniqua House

May 2

**Part 2 Module 6:
Translational Pharmacology**

Dr. Reniqua House

May 8

**Module 7:
Realities of Drug Discovery**

Dr. Bobby Norgard
